

Use of Cookies

A cookie is a small file that is installed from our website in your computer to record, in absolute anonymity, how you use our website. In no case is it harmful for your computer. Cookies are used among other things to remember your preferences, such as the selected language, which pages you visit, etc..

CasaToRent uses two types of cookies:

- A private one, which is activated when you click on the "X " so that the next time you visit our website, you will not be reminded of the use of cookies. You can see the message again, if you delete the cookies in your browser.

- Google Analytics which let us know how you use our site, which pages you visit, etc.. For more information, please see:
